VENDOR, please proof/review all aspects of this label to determine the suitability of the product for its intended use and acknowledge by signing and returning to Label Products.

Unfortunately we cannot guarantee accurate comparisons between your monitor and what we actually print. We need you as a valued customer to take into account variations such as monitor profiles and source profiles. We can however assure you that our monitors and color proofs have been calibrated and profiled to match our press runs within the FIRST standards or better.

Label Products cannot be held responsible for consequential damages due to use, verbiage, or application of this label. Our products are warranted to be free from defects in material and workmanship at the time sold by us.

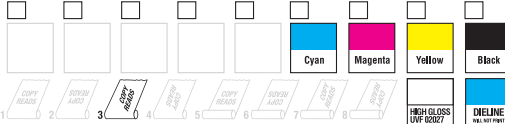

Thank You!
